CERTIFICATE OF DEDICATION

I, the undersigned property owner, do hereby certify that I have caused to be surveyed, subdivided and platted into lots, blocks, open space parcels, streets and alleys, and other divisions and dedications as shown by the plat hereunto included, the following described tract of land, to wit:

LEGAL DESCRIPTION

Lot 1R-5, Flanders Mill Subdivision, Phase 5, according to the plat thereof, on file and of record in the office of the Clerk and Recorder, Gallatin County, Montana, and located in the East 1/2 of the West 1/2 of Section 3, Township 2 South, Range 5 East of P.M.M., City of Bozeman, Gallatin County, Montana. Area = 2,221,370 square feet, 50.9956 acres or 206,372.0 square meters. Subject to existing easements.

The above described tract of land is to be known and designated as **FLANDERS MILL SUBDIVISION, PHASE 6**, City of Bozeman, Gallatin County, Montana; and the lands included in all streets, avenues, alleys and parks or public lands shown on said plat are hereby granted and donated to the City of Bozeman for the public use and enjoyment. Unless specifically listed herein, the lands included in all streets, avenues, alleys, and parks or public lands dedicated to the public are accepted for public use, but the city accepts no responsibility for maintaining the same. The owner agrees that the City has no obligation to maintain the lands included in all streets, avenues, alleys, and parks or public lands hereby dedicated to public use. The lands included in all streets, avenues, alleys, and parks or public lands dedicated to the public for which the City accepts responsibility for maintenance include: Flanders Mill Road, Windrow Drive, Forge Drive, Harvest Parkway (excluding center medians), Broken Spur Drive, and Ryan Sun Way. The property owner's association shall maintain the center medians in Harvest Parkway.

The undersigned hereby grants unto each and every person, firm or corporation, whether public or private, providing or offering to provide telephone, electric power, gas, internet, cable television or other similar utility or service, the right to the joint use of an easement for the construction, maintenance, repair and removal of their lines and other facilities, in, over, under and across each area designated on this plat as "Utility Easement" to have and to hold forever.

GENERAL NOTES

- NOTICE IS HEREBY GIVEN to all potential purchasers of Lot 1R-6 of the plat of Flanders Mill Subdivision, Phase 6, City of Bozeman, Gallatin County, Montana, that the final plat of the subdivision was approved by the Bozeman City Commission without completion of on and off site improvements required under the Bozeman Municipal Code, as is allowed in Chapter 38.35 of the Bozeman Municipal Code. As such, this Restriction is filed with the final plat that stipulates that any use of this lot is subject to further subdivision or development review, and no development of this lot shall occur until all on and off site improvements are completed as required under the Bozeman Municipal Code.
THEREFORE, BE ADVISED that Building Permits will not be issued for Lot 1R-6 of the plat of Flanders Mill Subdivision, Phase 6, City of Bozeman, Gallatin County, Montana until all required on and off site improvements are completed and accepted by the City of Bozeman. No building structure requiring water or sewer facilities shall be utilized on this lot until this restriction is lifted. This restriction runs with the land and is revocable only by further final plat review or subdivision review and the written consent of the City of Bozeman.
- Flanders Mill Subdivision, Phase 7 has not yet been platted. Interior parcel boundaries for this phase are subject to change.
- All common open space parcels shown are also public access easements.
- Utility easements are 10' wide along street lines, or as shown.
- Due to the potential of high ground water tables in the areas of the subdivision, it is not recommended that residential dwellings or other structures with full or partial basements be constructed without first consulting a professional engineer licensed in the State of Montana and qualified in the certification of residential and commercial construction.
- Ownership of all common open space areas and trails, and responsibility of maintenance and city assessments levied on the common open space lands shall be that of the property owner's association. Maintenance responsibility shall include, in addition to the common open space and trails, all vegetative ground cover, boulevard trees and irrigation systems in the public right-of-way boulevard strips along all external perimeter development streets and adjacent to public parks or other common open space areas. All areas within the subdivision that are designated herein as common open space including trails are for the use and enjoyment by residents of the development and the general public. The property owner's association shall be responsible for levying annual assessments to provide for the maintenance, repair, and upkeep of all common open space areas and trails. At the same time of recording the final plat for each phase of the subdivision the subdivider shall transfer ownership of all common open space areas within each phase to the property owner's association created by the subdivider to maintain all common open space areas within Flanders Mill Subdivision.
- City standard sidewalks (including a concrete sidewalk section through all private drive approaches) shall be constructed on all public and private street frontages prior to occupancy of any structure on individual lots. Upon the third anniversary of the plat recordation of any phase of the subdivision, any lot owner who has not constructed the required sidewalk shall, without further notice, construct within 30 days, the sidewalk for their lot(s), regardless of whether other improvements have been made upon the lot.
- Corner lots shall be oriented with the front of the lot facing toward the narrower of the two street frontages unless otherwise noted.
